

THANK YOU!

January 23, 2010

The Chase Community Giving contest has now come and gone and we want to thank you for your support throughout this campaign.

We lobbied you to vote with emails and on Facebook and we asked you to go beyond just voting and spread our message to

your friends and family. We finished the contest with more than 1,800 votes. While this did not win us the big prize, it showed us how loyal and dedicated you are to our cause.

Ours is a small organization with a big task and we are grateful for all that you, our supporters, do to help us give the orphans in our care a home, a family, a voice. The mere fact that we made it to Round 2 is amazing!

We hope you had a chance to get to know us a little bit more through this campaign and perhaps you even discovered some new causes along the way.

As always, we will continue to save the lives of more children abandoned and desperate for medical care. And with your support, many more of these tiny

babies struggling to survive will find the happiness and health they might never have known.
